

UCF CARD DISCLOSURE

UCF Card Policies

1. **Obtaining a UCF card** - You must be affiliated with the University of Central Florida in order to obtain a UCF card.
2. **Digital Photograph** - Your digital photograph will be on the face of your UCF card and will be stored in the UCF card database and PeopleSoft.
3. **Charges** - There is a \$10.00 annual fee included in tuition to cover the services provided by the UCF Card. All cardholders pay \$15.00 for replacement of lost, stolen, or damaged cards.

Your ISO #

The ISO # is a semi-random, computer generated, 16 digit number used by many campus systems. This # will appear on the face of your UCF card. If your UCF card is lost or stolen visit <http://ucfcard.ucf.edu> to access your Online Account and disable your card to prevent misuse. When you receive a replacement card a new ISO # is generated, and the old ISO # is permanently retired from use.

The UCF Card Banking Option

Students have the option of using your card as an ATM Card through Fairwinds Credit Union, the official Student Banking Provider. Visit <http://www.fairwinds.org/ucf> for more information on linking your UCF Card to your Fairwinds Student Checking account.
