2. **Digital Photograph** - Your digital photograph will be on the face of your UCF card and will be stored in the UCF card database and PeopleSoft.
3. **Charges** - There is a \$10.00 annual fee included in tuition to cover the services provided by the UCF Card. All cardholders pay \$15.00 for replacement of lost, stolen, or damaged cards.
4. **Inactive Accounts** – Funds added to the UCF Card Knight Cash account should be used in full before leaving the University of Central Florida. A Knight Cash account is considered inactive if it has no activity for twelve (12) consecutive months. A \$5 monthly inactivity fee will be assessed until 1) the account becomes active or 2) the account balance is reduced to zero and/or the account is closed.
5. **Refunds** – Knight Cash refunds are only permitted when students are graduating or withdrawing from the university. Students requesting refunds should visit the UCF Card Services Office and complete a Knight Cash Refund Request Form. Refunds will be issued via a check made payable to the cardholder and will be mailed to the permanent home address on record with the university.

Your ISO

The ISO # is a semi-random, computer generated, 16 digit number used by many campus systems. This # will appear on the face of your UCF card. If your UCF card is lost or stolen visit <http://ucfcard.ucf.edu> to access your Online Account and disable your card to prevent misuse. When you receive a replacement card a new ISO # is generated, and the old ISO # is permanently retired from use.

The UCF Card Banking Option

You also have the option of using your card as an ATM Card through Fairwinds Credit Union, the official Student Banking Provider. Visit <http://www.fairwinds.org/ucf> for more information on linking your UCF Card to your Fairwinds Student Checking account.
